EDUCATION

Bharti Vidyapeeth University

B. Tech - Electronics and Telecommunication, GPA: 9.2

2019-2023

Pune, Maharashtra, India

PROFESSIONAL EXPERIENCE

Software Engineer

Fore Excel Pvt. Ltd.

Jun 2024 – Present

Pune, MH, IN

- Designed and developed scalable web applications using **Next.js, React.js, Node.js, Express.js, MongoDB, and AWS**.
- Delivered enterprise solutions for industry leaders like **TASL (Tata Advanced Systems Limited)**, **TTL (Tata Technologies Limited)**, and government clients such as **Pune Customs**.
- Acted as the **client-facing representative** of the development team—translating complex technical issues into business terms, managing escalations, and ensuring quick resolutions.
- Led a team of 8–10 interns**, mentoring them on development best practices while driving client deliverables.
- TASL Project:**
 - Set up and configured **development & production servers on SUSE Linux**, including networking and deployment.
 - Built a **web dashboard from scratch** and conducted **rigorous VR application testing**, regularly visiting client sites to resolve issues and validate updates.
- TTL Project:**
 - Collaborated with TTL's internal dev team to integrate their **e-learning platform with VR headsets**.
 - Contributed to the design of new dashboard pages and VR panels, ensuring seamless cross-platform integration.
- Govt. Project (Pune Customs)** : Designed and deployed a modernized and accessible government website, enhancing usability and performance.
- Recognized as a **solution-oriented, client-focused contributor**—regularly participating in high-level discussions, delivering demos, and proposing user-centric improvements.

Technical Associate

Dexian

Jul 2023 – May 2024

Pune, MH, IN

- Supported the development team by assisting in **testing, debugging, and code improvements** across multiple client projects.
- Performed **unit and integration testing**, documenting issues and collaborating with senior engineers to resolve them.
- Contributed to **minor feature enhancements and bug fixes**, ensuring alignment with client requirements.
- Assisted senior engineers in preparing **deployment packages and release documentation** for client delivery.

WordPress Developer (Freelance)

Hortus Rudra Pvt. Ltd.

Nov 2022 – Feb 2023

Pune, MH, IN

- Delivered custom WordPress Elementor websites aligned with client goals.
- Integrated call/chat features & optimized SEO for higher engagement.
- Implemented PHP & CSS customizations, ensuring security & scalability.

Full-Stack Developer Intern

Hezkrost Technologies

Oct 2021 – Apr 2022

Pune, MH, IN

- Developed authentication, database, and hosting workflows.
- Collaborated with a dynamic team to design and develop a comprehensive web application from inception to deployment, serving as the sole web developer on the project. (**Linkedlabs** : <http://linkedlabs.co>)
- Developed and designed the official parent website for Hezkrost Technologies, enhancing the company's online presence and branding. (**Hezkrost**: <http://hezkrost.com>), **theonehour**: <http://theonehour.co>, **mynaukri**: <http://mynaukri.co>)
